PONIES ARRIVE FOR RACES

Getaway Special With Trainload of Horses and Horsemen Due Tomorrow.

The first shipment of horses for the forty-day racing meet to be run at the fair grounds by the Utah Jockey club beginning May 22, arrived yesterday morning from Oakland. But five horses, Don Franco, Rey del Mundo, Libertio, La Chata and Wisteria, composed the shipment of C. C. West, but additional horses, including the noted Lisato, will arrive in the course of a few days. These horses were formerly the property of "Lucky" Baldwin, and have been leased by Mr. West for the season. He expects to have a string of a dozen of the best thoroughbreds here for the meet. The horses were immediately taken to the track and quartered. They will be given daily workouts and will soon become accustomed to the climate.

William Hawke has wired Manager Finn to reserve stall room for ten. These horses will be shipped from Emeryville, Cal., Saturday and will include Pinkie, Cigar Lighter, Northwest, Legate and Aunt Kit.

At the same time E. J. Ramsey will ship from the same place and in his string will be the splendid handicap mare, Crescencia. He will also bring Hereafter, Hot White, Martinus, Mabel, Hollander and three others.

Keene Brothers shipped their string from Oakland Thursday and L. T. Lee & Son are expected to arrive this morning at 8 o'clock with their shipment.

The "Getaway" special left Los Angeles Thursday morning. Additional cars were placed on the train to accommodate the large number of horses, stalls being built in box cars and include Pinkie, Cigar Lighter, Northwest, Legate and Aunt Kit.

Two crews of carpenters are at work repairing the grand stand and building more stalls at the fair grounds, and work on the track will be started this morning.

Charging him with speeding at the rate of forty miles an hour, Bender today made information against the champion batter, and a summons was served on him for a hearing tomorrow morning.

Roller succeeded in gaining one hit in 16 minutes 25 seconds with a crotch hold and a wrist lock, but could not throw Galvin's shoulders to the mat in the remaining time.

Helena Senators Too Strong
With Bat and Hit Langford
Hard—Score 8 to 2.

Jack Huston's senators certainly have the Indian sign on the Occidentals, for yesterday they trimmed the tar babies for the second time this season by the decisive score of 8 to 2. The game was played on Cummings field and the wind bothered the men on both sides considerably, except when it came to running bases, and here the Senators had the local outclassed. Hitting the ball and then traveling some is the tale of the victory. At Langford, the pride of the colored population of two states, performed the first time this year, and in the first three innings gave the public a sample of his last summer's form. Then Langford weakened and from that time on received his needs. His support might have been worse, but such conditions are hard to imagine. In the eighth Langford retired and Tennant finished the game without a score being made against him. C. Thomas was the star for the Helena team, but unlike Langford, was rather wild for the first three innings. Then he settled down and twirled four innings without allowing a hit. King was given a chance to see what he could do the last two innings, and was touched for four hits. The fielding of both teams was rather ragged, partially due to bad light and the wind.

In the seventh Harnouth sprained his ankle while trying to steal third and will be out of the game for several days. It was thought at first his leg was broken, those in the grand stand hearing a pop as Harnouth hit the ground. Harnouth was carried on a stretcher and a doctor summoned, who pronounced it only a bad sprain.

RIDERS FROM VALSBERG

Jack Burris Says a Bunch of Fast Ones is Headed for Salt Lake.

Jack Burris, the well known bicycle rider, dropped into the city yesterday afternoon, and in fact even the wisest dopsters in the bike game in the city were drawn Jack was coming. Burris left for the east about a month ago, and the announced intention of riding at Valsburg this season. He did ride in the first couple of months, but is now back in Salt Lake with the announcement that he is the first of the advance guard of riders who will soon leave the New Jersey track for Salt Lake.

Burris says that things do not look good back there this year and instead of having a string of tracks to ride on this summer, there is but one open and that is Valsburg. On the strength of promising plenty of riding, Burris says he and Chapman intend many riders to go east and now the boys are up against it and are making their getaway as fast as possible. Burris says at least fifteen of the best pros at Valsburg will join the large bunch already started for Salt Lake before the season opens.

STARTLING RECORDS MADE

Daring Auto Drivers Risk Their Lives at Chattanooga in Hill-Climbing Contest.

Chattanooga, Tenn., April 22.—With at least 50,000 people lining the course, the daring drivers in the automobile hill-climbing today made some startling records. Lewis Strang, youngest member of the Buick team, passed under the wire winner in three events. Speeding around the sharp curves, the fearless men at the wheels did not slacken their speed and frequently their tires were on the very edge of the roadway, where a swerve of half an inch would have sent them to the bottom of deep ravines. George Dewitt went into the ditch at the "Hairpin" curve, and though his machine was smashed, Dewitt escaped with a few bruises.
